HOW IT WORKS:

Our selection of Wine, Beer, Seltzers and Non-Alcoholic beverages will help you quench your thirst while you're enthralled in competition.

Beverages are all self-serve, similar to a house party! The beverages you order will be stocked in your private room's beverage fridge, allowing guests to grab what they want, when they want it!

Alcoholic beverages (opened or unopened) cannot be taken off-site.

All purchases are final. We cannot accommodate refunds for unopened items, so please only order what you can responsibly finish before the end of your reservation.

You can pre-order, or order on-site. Learn more about the differences below:

PRE-ORDER

Pre-orders allow us to have your order ready for you when your group arrives and guarantee menu item availability for your reservation.

Pre-orders are available up to 11 days in advance of your reservation. Pre-orders placed prior to this date may be modified, up until the 11th day deadline. After this point, all pre-orders are final.

To place a pre-order: Please first confirm your reservation, then contact our guest experience team by emailing reservations@gamenightout.com.

ORDER ON-SITE

On-site purchasing of beverages is available for groups who did not pre-order or for groups who would like to order additional items on the day-of their reservation. Item selection for on site orders may be limited based on availability. Because of this, we highly recommend pre-ordering.

On-site orders may be placed during specific times in your experience:

1. The beginning of your reservation, before the start of gameplay.
2. The designated half-time (if time remaining allows).

All orders must be on one tab, using a credit or debit card, and placed by your reservation's Organizer or designated day of contact.

ALL GUESTS WILL BE REQUIRED TO SHOW ID UPON ENTRY.

Please inform each of your guests to bring a valid form of identification. Game Night Out is not responsible for guests who are unable to show valid ID with proof of age (21+).

Guests who show valid ID with proof of age (21+) will receive a yellow wristband and are allowed to enjoy alcoholic beverages age Game Night Out.

Guests without valid ID with proof of age (21+) will receive a red wristband and are prohibited from consuming alcoholic beverages.
